

Because my  
**diagnosis**  
doesn't define me

Connect with your Here4TN benefits for personalized support — because everyone's mental health matters

There are a range of reasons you may need behavioral health support. From exploring help during a stressful time to dealing with life-long struggle with depression, or if you're curious if symptoms like insomnia are related to anxiety, we're here.

Mental health matters. You have support through your Here4TN benefits, which are provided at no extra cost.\*

### Find what works best for you:

**Sanvello app\***  
offers on-demand support with anxiety, depression and stress.

**Take charge at work\***  
to talk with a coach via phone. Learn to manage symptoms of depression and stress and find better work-life balance.

**Talkspace online therapy\***  
allows you to connect virtually with a licensed therapist via text, audio or video.

**Short-term counseling\***  
through Here4TN offers five in-person or virtual sessions per issue, per year.

**Long-term support** is also available if you need it. Your behavioral health benefits offer additional in-person and virtual support and counseling for ongoing concerns, including substance use. Cost-share will be the same as an in-person visit. If you have a PPO, you may be responsible for a copay. If you have a CDHP, you may be responsible for your deductible/coinsurance.

For more information about mental health and to access your benefits, visit: [Here4TN.com](https://www.here4tn.com).  
Or call 855-Here4TN (855-437-3486), available 24/7.

24/7 support • Confidential in accordance with the law • For you and your family

\*State and Higher Education: No-cost EAP services are available to all benefits-eligible employees and their eligible family members, even if they are not enrolled in medical insurance. Local Education and Local Government: No-cost EAP services are available to employees who are enrolled in medical insurance. Dependents are eligible even if they are not enrolled in medical insurance. All members (employees and dependents) enrolled in medical insurance are also eligible for behavioral health benefits.

**This program should not be used for emergency or urgent care needs. In an emergency, call 911 or go to the nearest emergency room.** This program is not a substitute for a doctor's or professional's care. Consult with your clinician for specific health care needs, treatment or medication. Due to the potential for a conflict of interest, legal consultation will not be provided on issues that may involve legal action against Optum or its affiliates, or any entity through which the caller is receiving these services directly or indirectly (e.g., employer or health plan). This program and its components may not be available in all states or for all group sizes and is subject to change. Coverage exclusions and limitations may apply.
